Dear Educator,

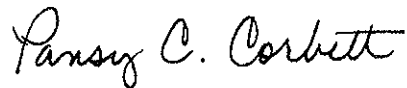

As you may know, your system has one or more students enrolled in the Georgia Academy of Aviation, Mathematics, Engineering, and Science (GA<sup>2</sup>MES) at Middle Georgia College. To enable these students to participate in the state testing program without incurring absences, I test these students. This also helps you meet your 95% participation rate.

For each test I code the answer documents/header sheets to be sent to their home high school. On the EOCT classroom/building header sheet, I elected to use 'GAMES' in the field for teacher. Therefore, when you pull your electronic score reports, please be sure to pull the 'GAMES' roster as well.

Please pass this information on to your school level people who handle test scores so they will expect these reports.

If you have any questions, please feel free to contact me at 478-934-2821, via fax at 478-934-9595, or email me at pcorbettt@bleckley.k12.ga.us.

Sincerely,

Pansy C. Corbett  
System Test Coordinator
