

## Requirements for Automatic Admission to Georgia Tech

- ❖ Be a Georgia Resident.
- ❖ Successfully complete the GAMES program with a minimum 3.0.
- ❖ Satisfy all College Preparatory Curriculum requirements as defined by Georgia Tech.
- ❖ Graduate from MGC and high school.
- ❖ Be in overall good standing with MGC.
- ❖ Submit necessary credentials and application materials to Georgia Tech by the deadlines as established by Undergraduate Admissions at Georgia Tech.

- ❖ Possess a score from the new SAT (or ACT with writing component) in the competitive range of applicants for the year in which the student applies for admission to Georgia Tech. Georgia Tech reserves the right to determine if a score falls within the acceptable range.
- ❖ Possess a competitive application in regards to participation in, and leadership in clubs and organizations at both the student's home high school and Middle Georgia College. Students must also submit an essay that is competitive with others from the applicant pool.
